Re: *In re Connect America Fund, WC Docket No. 10-90, DA 16-1379 – Notification of Charter Communications, Inc. of Served Census Blocks*

Dear Ms. Dortch:

Pursuant to the Commission's *Public Notice*¹ and the process set forth in the Commission's *Order on Reconsideration* in this proceeding,² Charter Communications, Inc. ("Charter") hereby provides notice that Charter already serves certain census blocks for which Frontier Communications Corp. ("Frontier") seeks incremental funding as part of the second round of Connect America Fund ("CAF") Phase I.

Frontier identifies 515 census blocks, not previously identified in Frontier's initial election, that Frontier intends to serve using Phase I incremental support. Charter, having reviewed the census blocks identified in the *Public Notice*, hereby provides notification to Frontier, and to the Commission, that Charter already offers Internet service at upload and download speeds exceeding 3 Mbps downstream and 768 kbps upstream in 46 of the newly-identified census blocks.

A list of the census blocks already served by Charter is attached, in machine-readable format, as Exhibit A. The census blocks at issue are each served by Charter via the legacy operations of Time Warner Cable Inc. ("TWC"), of which Charter is the parent. Each of the challenged census blocks in Exhibit A is identified as served in the legacy TWC's September 1, 2016 Form 477 filing, the accuracy of which was certified by a Charter official. Because the census blocks in Exhibit A are already served by

an unsubsidized competitor, they are not eligible for CAF Phase I support.³ In addition, as this notice provides Frontier with knowledge that the census blocks in Exhibit A are served by Charter as set forth in TWC's Form 477 filing, Frontier cannot provide a certification that "to the best of [its] knowledge, the locations are, in fact, unserved by fixed Internet access" with the requisite speeds."⁴

A copy of this letter and accompanying exhibit is being simultaneously served on Frontier as set forth in the *Public Notice*.

Sincerely,

Luke C. Platzer
